PURE GLYCERINE SOAP BAR 150G

Pure glycerine soap that is unfragranced and free from colors or dyes offers several benefits:

1. **Gentle on Skin**: Glycerine is a natural humectant, meaning it helps retain moisture in the skin. This makes glycerine soap gentle and suitable for sensitive skin.
2. **Hydrating Properties**: It attracts moisture from the air and helps keep the skin hydrated, which can be beneficial for dry or dehydrated skin.
3. **Non-Irritating**: Without added fragrances or dyes, this soap is less likely to cause irritation or allergic reactions, making it ideal for individuals with sensitive skin or conditions like eczema.
4. **Natural Ingredients**: Pure glycerine soap is often made with simple, natural ingredients, reducing the risk of exposure to harsh chemicals.
5. **Balanced pH**: Glycerine soap typically maintains a balanced pH, which is important for skin health and helps maintain the skin's natural barrier.
6. **Versatile Use**: It can be used for various purposes, including facial cleansing, body washing, and even shaving, due to its moisturizing properties.
7. **Environmentally Friendly**: Many pure glycerine soaps are made with sustainable practices and ingredients, making them a more eco-friendly choice.
8. **No Artificial Additives**: The absence of colors and dyes means no synthetic chemicals that could potentially harm the skin or the environment.

Overall, unfragranced pure glycerine soap is a great choice for those looking for a gentle, effective, and natural cleansing option.

WELLNESS

ALOE FEROX CRYSTALS 75G (BITTER CAPE ALOE)

What are Aloe Ferox Crystals?

Aloe ferox crystals are derived from the dried sap of the Aloe ferox plant, native to South Africa. They are very concentrated and potent, especially known for their strong cleansing and detoxifying properties.
